

WATER CONNECT/DISCONNECT REQUEST

I request for water to be CONNECTED/DISCONNECTED (please circle)

On the _____ (day, month, year), preferred time _____

Location (street number) _____

Name of the owner _____

Name of authorized representative to be present _____

My or authorized representative contact email or telephone number _____

I understand that Town of Faro requires the request to be received in writing with at least 24 hours notice. The request will be attended to as per operational possibilities during regular business hours. The Town of Faro will not connect or disconnect services without this written request unless in emergency or other situation as stated in Water and Sewer Bylaw # 92-30.

I further understand that I am responsible for payments for the services during the whole time the curb stop remains on until the curb stop is turned off.

The Town of Faro requires a person to be present during connection/disconnection to certify this in writing.

I _____ do acknowledge the risk of the Towns curb stop valve, main stop valve or sewer service line freezing in the event I have my service line disconnected for the winter months, and understand that I will be responsible for all costs associated with thawing the line / valves.

Signature of property owner: _____ Date: _____

Completed request may be delivered in person to the Town Office, faxed to (867) 994-3154 or emailed to finance@faroyukon.ca. If you have any questions please call (867) 994-2728.
